

Registrations / Auctions

We specialize in registrations and advise on auctions, including providing the following services:

Real Estate Registration

- Registration of transfer of ownership rights through acquisition/dispositions, succession, judgement and settlement
- Registration of real estate division, index number and land reclassification
- Registration of building restructuring; index number; structure or architecture change
- Registration of surface rights; easement rights, deposits, mortgages; and leases

Commercial/Foreign

- Registration of corporation;
- Registration of board members;
- Registration of foreign entity, foreign investment corporation, and foreign executives

Auction Business

Our professionals have experience and resources to effectively counsel clients on auction bidding and can conduct practical research and analysis of public data. We thoroughly review all relevant matters and analyze the investment risk and obstacles to help our clients make successful investments.

Representative Matters
